

*Here are ways to help your child practice skills while having fun!*

### Day 1

Write these words: *snake, slice, fine, robe, cube*.  
Have your child read each word and name another word with the same vowel sound.

### Day 2

Your child identified the main idea and supporting details in a story. Read a comic strip with your child. Ask what the comic was all about. Have your child give two details about the comic.

### Day 3

Write these words: *everywhere, live, machines, move, work, world, woman*. Take turns picking a word and using it in a sentence. Try to make the seven sentences tell a story.

### Day 4

Have your child write each of these spelling words: *blaze, cube, fine, home, late, mice, nose, page, size, space, tune, vote*. Help your child draw pictures to illustrate each word.

### Day 5

This week your child read captions in a reading passage. Help your child choose pictures from a magazine or newspaper and write captions to explain the pictures.

**Name**

# Family Times

*You are your child's first and best teacher!*

**This week we're**

**Reading** Exploring Space with an Astronaut

**Talking About** Why anyone would want to explore space

**Learning About** Long Vowels CVCe  
Main Idea and Details
